### Mothers Day Poem

Mothers are the handle to our door, The ones who lead us throughout our lives.  
Mothers love us without anything aiming for, Although they sometimes may tell us lies.

As beautiful as a butterfly,

As brave as a bodyguard,

They will be at our side even when life is hard.

Mothers day should never be forgotten,

Respected by everyone in this world,

Because they are the ones that brought us to this world.

HAPPY  
*Mother's Day*

Mothers, no matter how young or old,  
Such wisdom, such virtue,  
A story time has long told.  
Mothers, your challenges are great,  
Almost as if bound by fate.  
This day we shall dedicate,

To all the sacrifices mothers have made.  
Mother's day, a day to be remembered,  
For all children, young and old.  
All mothers will be celebrated,  
Their actions are brave and bold!

# Mother's day poem

Day after day,  
My mother works at the hay,  
There's me who plays all day,  
Forget the words my mom say.

**you are amazing**  
you are amazing  
you are amazing  
you are amazing  
you are amazing

Time after time,  
Your love is like a lime,  
But always in this lifetime,  
This love is forever mine.

**you are amazing**  
you are amazing  
you are amazing  
you are amazing  
you are amazing

Year after year,  
I had my mom's ear,  
Her voice is so near,  
I'm a distance I can hear.

**you are amazing**  
you are amazing  
you are amazing  
you are amazing  
you are amazing

Today is the day,  
I'm back to the hay,  
Where my mother stays,  
To wish her happy mother's day

**you are amazing**  
you are amazing  
you are amazing  
you are amazing  
you are amazing

HAPPY MOTHER'S DAY MOM!
