With the successful completion of Term 2, we eagerly anticipate the beginning of Term 3.

Our dedicated team of teachers has been working diligently to design an engaging and enriching curriculum that will continue to foster growth, learning, and exploration.

In Term 3, we will be focusing on the following areas:

In Term 3, we will be focusing on the following areas:

Project-based Learning: Students will have the opportunity to engage in hands-on projects, allowing them to apply their knowledge and skills to real-world scenarios.

Personal Development: We will be incorporating activities and discussions to foster students' emotional intelligence, resilience, and well-being.

Collaboration and Teamwork: Various group activities will encourage collaboration, problem-solving, and effective communication among students.

Enrichment Programs: We are excited to announce the introduction of new extracurricular activities, including robotics, coding, and a school-wide science fair, to provide additional avenues for exploration and creativity.

We believe that Term 3 holds great promise for our students, and we look forward to seeing them flourish and achieve even greater heights.

As we bid farewell to Term 2 and embark on a new chapter in Term 3, we extend our heartfelt gratitude to the parents, guardians, and teachers for their unwavering support and encouragement. Together, we can create an environment where every student thrives and achieves their full potential.

Should you have any questions, concerns, or suggestions, please do not hesitate to reach out to us. We value your input and are committed to ensuring the success and well-being of every student in our school community.

Wishing you all a restful and rejuvenating break before we reconvene for an exciting Term 3!

Best regards,
ILTI
