

Merdeka Day

by: Lim Kaizer (Flyers)

Merdeka Day is a festival that Malaysians celebrate on 31st August every year. It's well known to celebrate Malaysia's independence at 31st August 1957.

On that day, we Malaysians will wave Malaysia's flag proudly. All of the schools and workshops will decorate Malaysia's flag and Malaysia's flower – Hibiscus. Students, teachers, principals and school administrators will wave flags and march around the school. After that, the teachers will guide the students to say 'Merdeka' 7 times to show that we love our country.

Let's hope that we'll have patriotism for our country, Malaysia.
