

## **A Lifetime of Laughter: Uncle Jim, The Funniest and Most Memorable Figure in My Life"**

Most of us have many memories in our minds, so let me share one of them with you guys. The funniest person that I know is Uncle Jim.

I have known him for a very long time, so I know him very well. He knows all the jokes to tell and maybe one month is not enough for all of them. He is the one who always cheers me up when I am sad. And yes, he comes every Sunday to meet us!

When I was still young, I remembered that Uncle Jim always told us bedtime stories before we slept as our parents went out to work. As a result, Uncle Jim was the man who always cared about us and the one that never left us.

The best time that I remember was when he was costumed as a clown to make fun of me and my sister. I knew who the clown was, but I didn't tell my sister. What's more exciting is, he had a water balloon in his hand! I didn't expect that either. 'Open it!' my sister told him. I was not expecting what would happen. 'Boom!' the balloon burst and splashed water on all three of us. We felt like getting pranked but still laughed.

After so many years, Uncle Jim is still with us and joking around. He said to me that he would never change his attitude, ever!
